

**GAB Robins**  
UK Directory

## Our Geographical Coverage

Our network of offices provides full geographical cover across the UK. From our Head Office in London to Robins Claim Solutions in Birmingham, two Service Centres (Manchester, and Brighton) and our Building Services and Subsidence Centre of Excellence in Brentwood.

The remaining locations serve as local offices supporting either company functions (HR and Accounts in Bromley), or service lines such as Major Loss, Construction and Casualty, as well as local markets.
